8. Cervical Cancer Vaccination Drive update

We are pleased to share the progress of the Free Cervical Cancer Vaccination Drive (single-dose Gardasil-4), a significant initiative aimed at safeguarding young lives through preventive healthcare. An awareness session was conducted on 8 November 2025 at Mahatma Gandhi Prathmik Vidyalaya, Noida, focusing on breast cancer awareness and cervical cancer prevention, with special emphasis on HPV screening and vaccination. A total of 49 children were successfully vaccinated, receiving an overwhelming 100% positive response from parents and students. The Club expresses heartfelt gratitude to PE Dr. Savita Chopra for her inspiring leadership, dedication, and for efficiently organizing and completing this impactful and commendable project.

9. Cervical Cancer Awareness, 24th January 2026

As part of Cervical Cancer Awareness Month, the Rotary Club Gurgaon conducted a meaningful initiative in collaboration with IRCH (AIIMS) and The Cancer Foundation. Under the gracious partnership and support of the Club President, HPV vaccination camps were organized every Saturday throughout January, reaching a remarkable 352 children. This life-saving effort plays a vital role in protecting young girls from cervical cancer while also spreading awareness about the importance of early prevention and timely vaccination. The Club extends its sincere gratitude

personal safety. Interactive and age-appropriate sessions were conducted at GHS Nunera (65 students), GPS Nunera (130 students), GPS Nai Nangla (44 students), and GPS Nimoth (45 students). Through simple discussions and engaging interactions, students were sensitised to recognise safe and unsafe touch, build self-confidence, and speak up without fear. The Club gratefully acknowledges the generous support of Rtn. Reenu Gupta and her associates, whose commitment enabled wider outreach and helped foster a safer environment for the next generation.

12. Good Touch – Bad Touch Workshop, 29th January 2026

On 29th January 2026, a Good Touch – Bad Touch Awareness Workshop was successfully conducted at Sidhrawali School. The session was attended by four teachers and benefited 150 students. The workshop focused on educating children about personal safety, body awareness, and the importance of expressing discomfort and seeking help. The concepts of safe and unsafe touch were explained in a sensitive and age-appropriate manner, helping students build awareness and confidence to protect themselves. Such initiatives play a vital role in fostering a safe and informed environment for children, and Rotary Club Gurgaon remains committed to promoting child safety and wellbeing through its outreach programs.
